

Kingsport Civic Auditorium COVID-19 Vaccination Information:

Vaccinations will begin on Monday, January 11th from 9:00-3:00 at the Kingsport Civic Auditorium. We will be vaccinating Monday through Friday from 9:00-3:00 until further notice dependent on vaccine supply. These vaccinations will be walk-in, you will exit your vehicle and come inside the building. You will be screened at the entrance and masks will be required for entry.

Appointments are required, we are unable to admit anyone without an appointment due to the allotment of vaccine for the appointments each day. We encourage those who have issues ambulating or standing for an extended period of time to go through the drive-through at the Bristol Dragway. We recommend not to arrive an hour earlier than your appointment time as it will cause congestion in the parking area.

Appointments for the week of January 18th at the Kingsport Civic Auditorium will be open as soon as we receive notification from the state regarding our vaccine supply. These can be made by calling 423-279-2777 when appointments open up, please check our social media or webpage for updates.

These vaccinations are only for Phase 1a1 and Phase 1a2 individuals, as well as those who are 75 and older. Those in Phase 1a1 or Phase 1a2 should bring their work ID (name badge or a copy of letter or email with company letterhead proving employment) and we ask that those who are 75 and older bring their driver's license to assist with vaccine paperwork.

We can only vaccinate Phase 1a1 or Phase 1a2 individuals that either LIVE or WORK in Sullivan County or are a resident of Tennessee. We can only vaccinate those who are 75 and older who are residents of Tennessee.

Phase Information:

Phase 1a1:
